FEBRUARY 2010

What's On?

New Teaching Series: Defining Moments

Starts Sabbath, 6 February 2010

Often in life, something happens to us one day, that challenges the foundations of our world view and our understanding, and we have to rethink why we do what we do — this becomes for us a Defining Moment. For some individuals living 2000 years ago, a Defining Moment occurred in an interaction with the person called Jesus. In these next few weeks we are going to explore some of those Defining Moments, the story of the person, their discussion with Jesus, and how they came away from that Defining Moment with a completely different perspective. Perhaps the same will happen to us as we experience their stories.

Children's Ministries Training

Sabbath, 6 February 2010 from 4:00pm - 6:00pm in the Papsda Hall.

If you're part of the 2010 Papsda Children's Ministries Team, whether you're a leader or a volunteer, this training event is an absolute must. We have a very special guest speaker coming in to talk to us, motivate us and equip us for ministry to children. Margaret Spicer is the National Director for Willow Ministries in New Zealand and has many years of experience in working with children, leading children's ministries and coaching adults. You'll gain great advice, tips and tools to minister to Papsda Kids in your various roles. Please arrange alternative care for your children during this two hour training session. Refreshments will be provided.

Family Venture

Sabbath, 20 February 2010 from 1:00pm at Totara Park.

Join us for a Sabbath afternoon family picnic lunch following the worship service on 20 February. Totara Park has loads of space to run around, trees to provide shade, and picturesque walks. Bring a picnic lunch, blanket to sit on, and join in family bush walks and fun. Proudly organised by Papsda Children's Ministries.

Parents of Kids Aged 0-6

Monday, 22 February 2010 from 7:00pm - 9:30pm in the Lower West Wing.

Toolbox groups are designed to encourage you in your role as a parent. The most important years in your child's development are these early years and no one will influence your child's future more than you, their parent. During the six sessions of this course you will have the opportunity to discover and apply new tools and strategies to use within your family. To register, call past the Information Desk, visit the website or talk to Brigitte Bagg.

The Bible Through New Eyes

Monday, 22 February 2010 from 7:30pm - 9:30pm in the Upper West Wing.

A new six week course commences later this month and includes study tips to make the Bible come alive. Sign up at the Information Desk, visit the website or talk to Richard Newson.
