## **68 Days to GO!!!!!!**

There is now only 68 days left before we hold the 2010/11 NZPUC Camporee.

### **Application Forms**

Thank you to those Clubs who have completed their Club Registration Form together with the individual Registration Forms.

Those who wish to attend Camporee still have time to register if you have not yet done so, but Camporee fee is now at \$180.00 and this will close as at October 27<sup>th</sup>, 2010.

As from October 11<sup>th</sup>, 2010 there will be no refund for Camporee registrations fees if you decide to withdraw.

### **Age Limit Reminder**

We would like to remind you (as indicated by your Conference/Mission) that due to safety, logistical reasons and lack of insurance cover, **the Committee cannot allow children under Pathfinder age to attend the Camporee. Please notify all staff that if** staff members (including cooks) have under age children (or Pathfinder age children not in Pathfinders), they will need to make other arrangements for them. Please do not embarrass either yourself or us by disregarding this request.

### **Attendance Souvenir**

**Camporee Pin** – The Camporee Pin is looking great and will be a hot item to trade at future Camporees so get your order in as there will only be a limited amount to be sold at Camporee. Order form attached.

### **Passport Stamp**

The official Camporee Stamp will be available at Camporee. Please ensure your Pathfinders bring their passports along to take advantage of this opportunity. Times and places where passports can be stamped will be advertised during the Camporee.

## Day Visitors

The NZPUC Pathfinder Camporee like all other major events will be a **CLOSED EVENT** and unfortunately no day visitors will be allowed. Our Security staff will ensure that this rule is adhered to for your safety and benefit.

## Food

Please be advised that Cook Island stores do not provide fresh milk. The main milk source is Anchor powder milk. Liquid milk comes in cardboard carton type i.e. So Good, Anchor UHT Blue Top which is available from any local store. So milk will not be provided on the Perishable order form.

### **Fresh Food (Perishable) Pick Up**

Available between 6:00am-8:30am from the Camporee Staff Dining Hall.

### **Sabbath Pre-paid pick-ups**

6:00am-8:30am

**Full payment must accompany your order** and must be returned with payment to the NZPUC Youth Department by November 12th, 2010.

## Showers & Water Usage

Ample water for cooking, drinking, toilet and shower facilities will be provided on site and will be obtainable from outlets in each sub-camp and activity area. However, **water supply is limited so don't waste it!**

Showers and toilets will be available in each sub camp. But feel free to bring your own camping showers.

We strongly recommend the use of sandals/jandals in showers for health reasons.

## Club Camping Areas

As stated in Bulletin No.3 (page 3) club camping areas will be restricted, therefore we strongly recommend that you wait to see your actual site before you make final plans for your layout.

- Tent site remains within your boundary
- Ropes need to be clearly marked to avoid tripping.
- Pegs are to be capped or covered if above ground.

### **CLUB ENTRANCES**

You are welcome to create your own club entrance where you can fly your flag etc. Please remember that because of limited space, these entrances will not be able to be supported by ropes etc.

## **Registration Process**

To assist us with a smoother process at Registration, please ensure that all paperwork are completed and returned to the NZPUC Youth Department:

- Club Registration Form
- Individual Registration Form
- Health Form
- Screening Form for Club Director & Deputy Director
- Club Staff Assistance Form

Clubs will not enter Camporee until all forms are correctly completed and received.

Registration will open on Tuesday 28<sup>th</sup> December 2010 at 6.00am – 12.00 midday.

- i. First check point for Registration will be at the Kent Hall (from Town), and Papaaroa Hall (from Airport) at the appointed time.
- ii. Please refer to Registration arrival schedule. (to come out shortly)
- iii. Proceed to Camporee Gate at allocated time.

### **SET UP DAY PRIOR TO REGISTRATION**

After careful consideration of the logistics of registering 1000 participants, we have come to the conclusion that the 6 hours (6.00am – 12.00pm) we had set aside on Tuesday for registration will not be sufficient for a smooth start to Camporee.

We have therefore decided to have Monday as a Camp set up day for all International clubs as they are unfamiliar with the environment and this gives them additional time to set up. This will only be a setup and your clubs will not be able to move in

until Tuesday. If you are camping in tents prior to Camporee then this does not apply to your club.

Preset Up time: 10.00am – 3.00pm

Please note set up is only for the Club Director (or Leader in charge as noted on Club Registration form) and leadership team to pitch your club tents. Please do not bring any equipment and furniture, as Security will not commence duty until the next day.

## Opening Ceremony

### **UNIFORM**

Congratulations to all Clubs who have taken uniform requirements seriously. Only Pathfinders in full dressed uniform will be allowed to participate in the opening ceremony on parade.

Those who don't have full dress uniforms are welcome to observe the parade from the observation area.

### **CLUB FLAG POLE DIMENSIONS**

All clubs attending the opening parade need to comply with a standardized club flag pole. The timber flag pole specifications are as follows:

- Diameter 25mm
- Length 2.2m

Note: These flag poles can be purchased from Bunning's or most hardware stores.

For an event of this size, standardized flag poles will enhance the overall impact of the opening parade.

## **PRE-MARCH COMMANDS**

- At Ease
- Attention
- Right Turn
- Left Turn
- About Turn
- Forward March

### Saluting at the March Past

During the March Past only the Club Director will hand salute. The Director's left hand is held steady during the salute.

The order is given "eyes right". The Director on this command, salute and the bearers present colours/guidons. 'NOTE WELL': - the right marker only will look straight to the front in order to maintain direction. Guidon bearers, Pathfinders and Counsellors continue to swing arms during "eyes right".

The order is given four metres before passing the dais. The salute and position is held until the last members of the club have reached a position four metres past the reviewing area. The order then given is "Pathfinders, eyes front". On this order the Director or Leading staff member will break the hand salute. The colour bearers and Pathfinders will resume their former positions. This order may be given by a staff member marching from the rear.

## **De-Registratrion**

Clubs are free to depart the Camporee site at any time after 6:00am on Sunday 2<sup>nd</sup> January 2011. No vehicles are allowed on site Saturday night or before 6:00am on Sunday. Coaches will be allowed after 8:30am.

Let's make Sabbath at Camporee a very special day and refrain from doing any packing up during the sacred hours.

## **Emergency Contact**

Should emergencies happen back home or should people desperately need to phone the Camporee during the event – the following number will reach the event organizers:

International: (00682)-22851

Cook Islands: 22851

Please restrict the use of this number to emergencies only. Cell phone coverage is available on the Island.

## **Quiet Time**

Quiet time will commence at 10:00pm Camporee time each evening and end at 6:30am each morning. It would be appreciated if noise was kept to a minimum between these hours. Clubs are requested to shut down all generators at 10.00pm.

## **Responsibility for Pathfinder Leaders**

- Assist Activities, please complete form attached and return by November 12<sup>th</sup>, 2010.
- Adequate supervision for your Pathfinders at all time.
- Be aware of the special medical conditions for each Pathfinder, especially asthma, diabetes, epilepsy etc.
- Please notify Activity Director of Pathfinders who cannot swim.

## **Camporee Security**

Security officers will be on duty 24 hours a day. Please be advised that Security's instructions must be adhered to. They have volunteered their services to assist with ensuring that Camporee is safe and enjoyable.

### **VALUABLES**

We strongly recommend that you bring only what's essential into your club camping area.

You are responsible for securing your personal items. However, there will be a vault in the main camporee office where travel documents can be kept. Valuables can be deposited during Registration hours on Tuesday and can be retrieved during the de-registration time on Sunday.

This service will only be available at these times.

### **LOST & FOUND**

There will be a lost and found property section in the Main office.

## **Camporee Disciplinary Process**

Most disciplinary issues will be cared for by club or sub-camp staff.

When **unforeseen incidents or disturbances** arise, the Camporee Security may be called. If necessary, security will report to the Camporee headquarters.

In extreme cases the Camporee Director will take the matter to the **Camporee Disciplinary Committee**.

### **CAMPOREE DISCIPLINARY PROCESS**

The Camporee Disciplinary process aims to confine the issue to the club area. In some cases this could mean that the person found responsible confined to the club camping area and excluded from activities for a period of time. **In extreme cases an individual may be asked to leave the Camporee site.** A management plan has been put in place to facilitate this process.

### **CRIMINAL OFFENCES**

Criminal offences will be reported to the police and will be dealt with in accordance with Cook Island law.

The disciplinary process has been put in place to enhance the welfare of all camporee participants and to ensure that the objectives of the camporee are met in the best of circumstances.

## **Camporee Bulletins**

Directors are encouraged to bring their copies of Camporee Bulletins Nos.2, 3 & 4 with them to the Camporee. This will provide a ready reference to details that may be needed on site.

## **Youth Department Contact Details And Further Information**

Further information will be provided as details come to hand. In the meantime all enquiries are to be referred to the Local Pathfinder Director who then can make contact with their Local District Director or Conference/Mission.
